'Pratipad' - Inauguration of 2018-20 Batch

'Pratipad' - the 2018-20 batch got a fitting start in the presence of eminent personalities. During his inaugural address, Sri. Rajesh Nair, Executive Director, EY, motivated the students to prepare themselves to face the challenges and complexities of present day business world. The technology driven business environment has imposed a huge responsibility on the B-School students, he said. The chief guest elucidated on the three vital areas that are disrupting the field of management - Technology, Globalisation, and Demographics. Mr. Nair stressed on the importance of the students to embrace technology as the job scenario is changing and IT has become an inevitable component.

He also advised the students to read, observe and think as much as possible and to keep updating themselves. Sri. Venugopal C. Govind, Chairman, Bharatiya Vidya Bhavan Kochi Kendra has invoked the students to equip themselves with updated knowledge and the required soft skills to face the challenges and to build up a career in Business Management. He focused on the changes that is happening in all the functional areas of Management. Sri. Venugopal C. Govind during his address thrust upon the importance of academic excellence, with general awareness, human values and building on individual potential as vital to the success of the students. Sri. Ramankutty Warriar, Director, BVB, Kochi Kendra spoke on the importance of inheriting Bhavan's values, which can lead to the comprehensive growth of the students. Dr. Rajagopala Nair, Dean, Bhavan's B-School, during his welcome address congratulated the students for getting selected for MBA Programme at Bhavan's B-School. He stressed upon the Teaching Pedagogy and the Placement opportunities for the students at Bhavan's Royal Institute of Management. 'The question is not of Employment, it is of Employability', he said.
