VISION

To be an institution of excellence by creating Responsible Management professionals from varied backgrounds as value providers to the Global Business World.

MISSION

Bhavan's MBA is designed to transform students from diverse social and economic background to value-driven and competent management professionals. We are committed to offering comprehensive exposure to the dynamics of business and management and also by familiarizing them with the ecosystem in which they will function.

OBJECTIVES

To develop competent managerial resources to cater to the emerging requirements of the dynamic milieu.

To mould socially responsible management professionals and leaders strongly rooted in the inimitable Indian Value system.

To bridge the contemporary knowledge requirements for economic development through intensive management research and consultancy.

KULAPATI (Dr.) K. M. MUNSHI
Founder - Bharatiya Vidya Bhavan

BHAVAN'S ROYAL INSTITUTE OF MANAGEMENT

The Bharatiya Vidya Bhavan is India's premier non-governmental, apolitical, secular, national movement with an international outlook devoted to life-related education, literature and culture. Bhavan's Royal Institute of Management, promoted by the Kochi Kendra of Bharatiya Vidya Bhavan opens an opportunity for you to have management education of international quality, rooted in strong Indian Value system.

Bhavan's Royal Institute of Management, Tripunithura has been set up in the year 2002 in the erstwhile Royal estates of the Kochi Maharajas, to offer MBA programme. Bhavan's MBA course is affiliated to Cochin University of Science and Technology (CUSAT) and approved by All India Council for Technical Education (AICTE), New Delhi. Bhavan's Royal Institute of Management has a heritage campus with the magnificent elegance of royalty, providing the perfect ambience to mould the decision makers of tomorrow.

Bhavan's Royal Institute of Management has state-of-the-art infrastructure facilities, highly dedicated team of faculty, innovative teaching techniques matching international standards, E-Learning facilities, advanced courses on Analytics, Entrepreneurial training that will prepare the students to keep abreast of the changing business environment. We focus on the wholesome development of the students, based on the value system of BHAVAN. Stress on Indian values and culture is an integral part of the MBA programme at Bhavan's Royal Institute of Management.

BHAVANS MBA PROGRAMME

Affiliated to CUSAT & Approved by AICTE

Bhavan's Royal Institute of Management, Kochi has unfolded its first PGDM programme in June, 2002, which was subsequently approved by All India Council for Technical Education, New Delhi in June 2008. In 2012 after getting approval from State Government and All India Council for Technical Education (AICTE) the PGDM Course was discontinued and Bhavan's B - School introduced the MBA Programme affiliated to Cochin University of Science and Technology (CUSAT). As per the curriculum and syllabus of CUSAT, Bhavan's Royal Institute of Management, Cochin follows semester system for the new MBA programme and it would be possible to impart a comprehensive learning experience to the students through an interrelated system of continuous evaluation tools like assignments, quiz programmes, mid-term tests, case analysis, mini projects, oral tests, as well as a terminal written examination. A ratio of 60:40 weights will be given for the terminal written examination and continuous evaluation. There will be a Viva Voce conducted at the end of each semester by external experts to evaluate the student's integrative and basic knowledge on the subjects covered.

With a view to ensure continuous improvement in communication and presentation skills and to instill a sense of self confidence among the students, a well-structured individual development schedule is put in place as part of the schedule.

The first two semesters are devoted to functional and compulsory subjects to enable the student to get a grip on all the fundamental aspects of management. The third and fourth semesters are devoted for a range of electives. Bhavan's Royal Institute of Management, Kochi, offers a wide range of electives across eight areas: Data Science and Business Analytics, Information Technology and Systems, International Business, Entrepreneurship, Marketing, Finance and Accounting, Operations Management, and Organizational Behavior and Human Resource Management (OB & HR). During the third semester, students are required to undertake an internship.

GOVERNING COUNCIL

Bhavan's Royal Institute of Management is guided by an elite Governing Council comprising of proven leaders from industry and academic arena. The members of the Governing Council are :

The Regional Director, AICTE (TVM), The DTE, Kerala and Representative of Govt of Kerala are also members of the Governing Council

THE COURSE

Bhavan's B-School offers two years full-time MBA Programme and follows the semester pattern as per the curriculum of CUSAT. We impart continuous and comprehensive learning experience to the students through an interrelated system of continuous evaluation tools like assignments, quiz programmes, mid-term tests, case analysis, mini projects, oral tests, as well as an end semester examination conducted by the University. A ratio of 60:40 weights will be given for the semester examination and continous evaluation. Besides there will be Viva-Voce conducted at the end of each semester essentially by internal examiners to evaluate the student's integrative and basic knowledge on the subjects covered.

The first two semesters are devoted to functional and general subjects to enable the student to get a grip on all the functional aspects of management. The third and fourth semesters are devoted for a range of electives and remaining interdisciplinary courses. Bhavan's B-School follows a dual system of electives which enables the students to master in two functional areas. Each student should carry out a summer project work in a company after the completion of second semester for a period of six to eight weeks. In order to promote social commitment among the young managers, social projects and sensitization activities are incorporated into the course, which is a unique aspect of this program at Bhavan's. The class room sessions are from 9 am to 4.15 pm.

INTERNAL FACULTY

Dr. Deepa Unnithan
Dean

Dr. Deepa Unnithan, Dean at Bhavan's Royal Institute of Management, specializes in Entrepreneurship Development and Marketing. Her dedication to fostering an entrepreneurial spirit has created a vibrant ecosystem on campus, and as a certified NSIDC A-grade trainer in Entrepreneurship and Management, she mentors through the Kerala Startup Mission and for MSMEs. Her professional experience includes roles in the media and banking industries, holding various management-level positions.

The case studies authored by Dr. Deepa Unnithan are published in prestigious references and are used as study materials. She serves as the editor of Vijnan, the institute's newsletter, and is the author of the book Student Entrepreneurship: A Handbook on How to Catch Them Young, published by Notion Press, which earned the Rising Star badge for its sales and critical acclaim. In addition to presenting papers at elite academic conferences, she is a Publons-listed reviewer for renowned journals such as Emerald Publishing and Web of Science (WoS) Publications.

Dr. Smitha Rajappan
Associate Professor & HOD

Dr. Smitha is an Associate Professor in the area of Organizational Behavior and Human Resource Management and holds a PhD in Organizational Silence & Job Embeddedness from Bharathiar University. She has three years of experience as a District Programme Officer with a Central Government Project under MHRD. She has conducted workshops and OBT training programs for students, educators, and corporates and published research in national and international journals.

Dr. Rohini S Nair
Associate Professor

Dr. Rohini S. Nair, a Gold Medalist from Bhavan's Royal Institute of Management, specializes in HR and Marketing with over 11 years of teaching and research experience. She joined the institute in 2011 after a stint with Axis Bank and holds a Post Graduate Program in Data Science and Business Analytics from the University of Texas, Austin. Her expertise spans Human Behavior, Business Analytics, and Research, and she teaches courses in Business Communication, Organizational Analysis, and Global HRM. She has published papers in reputed journals and conferences and has mentored several research projects.

Dr. Aswathy Mohan
Assistant Professor

Dr. Aswathy Mohan, UGC NET-qualified Assistant Professor at Bhavan's Royal Institute of Management, brings over a decade of expertise in teaching and research, specializing in Finance. Her academic credentials include a Ph.D. in Management, an MBA in Finance & Marketing, and an M.Com in Finance. With a focus on corporate governance, ethics, and time series econometrics, Dr. Aswathy has published extensively in Scopus-indexed and UGC Care journals and presented at prestigious conferences such as SUSCON 2024 and ISDSI-Global 2021. She actively participates in faculty development programs, aligning her commitment to integrating ethics, governance, and financial management into management education and research.

Dr. Divya P. Velayudhan
Assistant Professor

Dr. Divya P. Velayudhan is a B.Tech graduate with a specialization in Electrical and Electronics Engineering, after which she pursued an MBA, qualified for the UGC-NET JRF, and holds a Ph.D. in Management from the School of Management Studies, Cochin University of Science and Technology.

Dr. Rijo Gratius
Assistant Professor

Assistant Professor in Marketing at Bhavan's Royal Institute of Management. He qualified UGC NET-JRF in Management before securing Doctorate from School of Management Studies, Cochin University of Science and Technology. He previously worked in premier higher education institutions of the country.

Dr. Lakshmi N S
Assistant Professor

Assistant Professor specializing in Marketing and Human Resources, with 7 years of academic experience. She holds a Bachelor's degree in Commerce from Mahatma Gandhi University and has submitted her PhD thesis in Management at Alagappa University, Karaikudi, awaiting open defense.

Her areas of interest include Marketing Management, MIS, Cyber Security, Managerial Economics, Environmental Management, Financial Management, and Accounting for Managers.

Ms. Liney Susan Varghese
Assistant Professor

Liney Susan Varghese is an Assistant Professor (Finance) at Bhavan's Royal Institute of Management, with 8.4 years of teaching experience. She holds an MBA with dual specialization in Finance and International Business from Karunya University, Coimbatore, and is currently pursuing a PhD in Management from JAIN (Deemed to be University), Kochi.

TESTIMONIALS

Visakh Ram Mohan
Federal Bank Ltd.

There are some choices in life that leave you happy for having made them. Joining Bhavan's is one such decision I take pride in. With its perfect pedagogy, resources, and ambience, it helped me realize my potential. The features offered by Bhavan's B-School enabled me to channel my abilities and ultimately provided the professional career I had always desired.

Vineetha V. Nair
Ernst & Young Global Limited.

I consider my 2 years' tenure at Bhavan's Royal Institute of Management as a great experience. Bhavan's provides a great platform for skill enhancement and offers a valuable learning experience. The faculty members as well as the placement committee were extremely supportive in developing us to meet industry expectations and ensuring maximum placement opportunities for all of us.

Aparna Lakshmanan
Kotak Mahindra Bank Ltd.

I am very glad to share the positive journey I had at Bhavan's Royal Institute of Management. All the faculty members are enthusiastic and always ready to help. The support I got from the institution provided me with an opportunity to find and follow a career I had desired in a reputed bank like Kotak Mahindra Bank.

Sidharth S. Kumar
Amazon.com, Inc.

I consider the time spent at Bhavan's Royal Institute of Management as a great phase of my life. The institute has a great group of faculty members who are extremely cooperative, and the campus environment is very positive. The Training and Placement cell is very active and persistent in providing the right opportunities for the students. The days spent at Bhavan's hold a special place in my life and will be remembered forever. It's a place that brings out the best in each student.

Neema Rajendran
HTIC Global

Two-years of MBA experience in Bhavan's Royal Institute of Management, made me stand out from a crowd with the courage to take responsibility by experimenting lot of things. The number of different activities, assignments, and clubs that we had at our college helped me to switch and think from many dimensions by solving a case study related to HR at 10 am and creating a marketing video at 12 pm, which enabled me to be more flexible in my workplace.

Rohith U J
PhonePe Pvt Ltd.

Enrolling at Bhavan's Royal Institute of Management was the start of an incredible journey into business innovation. Over two years, I wasn't just immersed in textbooks and lectures, but in a transformative experience that shaped my leadership and strategic thinking.

Today, as an MBA graduate, I carry not just a degree but invaluable experiences and relationships. Bhavans has equipped me with the skills to excel in the corporate world and inspired me to aim higher and empower others. This institution doesn't just mold professionals; it shapes visionaries ready to illuminate the future!

Midhuna Varma
Kotak Securities

My 2 years at Bhavan's B-School have been transformative. The exposure to diverse subjects, assignments, and club activities helped me develop key skills like multitasking and prioritizing work. This experience not only boosted my confidence but also enabled me to take on responsibilities and handle challenges both inside and outside the classroom with ease.
